

SATURDAY, SEPTEMBER 10TH | 10AM—2PM | FREE

WHOLE FOODS MARKET® BROAD ST. | 300 N. BROAD ST., NEW ORLEANS, LA 70119

As part of National Drive Electric Week and in coordination with the New Orleans City Council, EV-LA, the Southeast Louisiana Clean Fuel Partnership, and the ReFresh Project, Whole Foods Market will host a spectacular day celebrating resources, alternative energies and creative repurposing!

Bike Easy will host a workshop at our bicycle repair station from 10-11 am and then guests will enjoy a bike tour of the Lafitte Greenway! Return to Broad Street for complimentary refreshments and a great afternoon of exploring alternative energy technologies with Solar Alternatives and:

- Electronic recycling
- The return of glass recycling at Broad Street
- Composting workshops
- Repurposing with the Green Project (including paint recycling)
- Charging demonstrations
- Sustainability with Global Green
- Electric Vehicle test driving with Nissan
- Food and Entertainment
- and a very special press conference with Councilmember LaToya Cantrell of District 'B'!

Join us for an incredible day of doing more together! Let us know you're coming! Register at driveelectricweek.org/753!
