### BIKE EASY'S NEWEST EVENT

The Bicycle Scavenger Hunt is back! This Covid creation is rolling with us into the new normal, and Bike Easy is seeking sponsorship to grow this fun community event.

Sponsoring Bike Easy is a great way to build visibility with a diverse audience of engaged, locally-minded people while contributing to the well-being of our region, for today and generations to come. **By sponsoring the event, your organization receives recognition through our communications and printed material as well as an opportunity to encourage participants to visit your location as a featured stop on one of the routes.**

Participants in this year's event will be provided self-guided adventure options, complete with maps, music playlists, and opportunities to stop at partnering businesses to take advantage of Bike Easy Member Discounts and opportunities to raise money for Bike Easy.

**We are asking a limited number of businesses to join the event by either offering a member discount or donating a percent of proceeds from the day's sales to Bike Easy.**

Details for the after party are developing along with the evolution of Covid health and safety protocols.
